MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians,

One of the true gifts of being a member of Rotary in general, and the Las Vegas Rotary Club in particular, is the character and quality of the people in our group. Member Jim Kohl is our speaker today. You can read his bio on the front cover of today's Wheel and see the impressive list of accomplishments both in service to our club and professionally. I know that we all see and appreciate the very generous financial contributions his firm makes through our club to a wide range of charities throughout the year as well.

However, I would like to touch on a personal experience I had with Jim several years ago that I think highlights the theme of my message today regarding character and our club.

A number of years ago when my daughter was still a young girl, we arranged for her to fly solo to Detroit to visit her grandmother. This was her first flight alone and although I am not one prone to excessive worry, between the state of world affairs and the myriad stories of creepy people, I certainly approached this with some trepidation. By total coincidence, Jim was on that same flight and upon running into each other in the waiting area, he volunteered to keep an eye on my daughter. Not only did he do that, but he stayed with my daughter on the Detroit end until my mother managed to find the correct gate.

This was obviously a great gesture of friendship and was much appreciated. But the really amazing thing to me, in retrospect, was that although I did not know Jim well at all at the time, I immediately trusted him and knew that if there was a problem, he would be there to help. This is one of the true gifts of being a Rotarian – knowing that you are associating with a group of people who take the Four Way Test to heart and can be relied upon and trusted. This ability to trust is otherwise so difficult to find in today's world.

So celebrate the gift of being a member of this club! And also keep this story in mind when you are in need of products or services – who better to do business with than other members of our club?

LEGACY MEMBER PROFILE

Richard Relyea M.D.

Richard was born in Washington D.C. in 1932 and attended the University of Richmond before earning his medical degree from the Medical College of Virginia. He soon completed his ophthalmology residency and began practicing in Danville, VA which is when he met his future wife and joined his first Rotary Club in 1961. After several years in Danville, he moved to Richmond, VA where he was married and then onto Pueblo, CO before settling in Las Vegas in 1974. He was a Rotarian throughout all of this time and joined our club in 1975. Richard currently has the third longest tenure of any active member in our club at 41+ years!

After 55 years of serving patients he finally retired several years ago. Unfortunately, his wife passed away in 2013 after battling Alzheimer's for many years. He has two sons and one grandson who all also call Las Vegas home.

Richard says that one his very fond memories of Rotary was a transpacific all-Rotarian cruise he took many years ago. Imagine traveling halfway around the world on a ship full of Rotarians! - wasn't there a song about that?

Spending many of his early years in Virginia, he is no stranger to tobacco and still enjoys the occasional cigar at our Cigar Fellowships.

Thank you Richard for your many years of service to the community and our club! We look forward to your fellowship for many years to come!
