## MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians:

This past weekend was one of my favorite Rotary events – the Alpine Picnic! Because of that, it isn't too surprising that we managed to begin the Rotary year (July) with an Alpine Picnic and we also ended the year with another one. We had spectacular weather and great food, good fellowship and a really good turnout. The danger of thanking people individually is that I always fear that I will leave someone out by mistake. But I have to try!

For numerous years now, Bob & Deanna Werner have been the generous hosts who let us come and take advantage of the cooler weather and their beautiful home on Mt. Charleston. As much as everyone really tries to be helpful, we cannot emphasize how much we appreciate what the Werners do to make this day special for us. The 25 Club Officers, Sarah Brown (President), Rob Pistone (VP) and Chris Bennett (Secretary) stepped up in a big way and organized a delicious menu and hosted an amazing party! To those who helped out constantly in the kitchen, especially Sarah, Francesca and Deb, thank you for the awesome teamwork and organizational skills. Ty Salazar (complete with goggles to protect his eyes from the smoke) was picnic chef extraordinaire. And those of you who brought food – wow, it was delicious! Thanks go to the Grandas for taking the left overs to West Care so others could enjoy the food too, and nothing went to waste. Larry Tomsic took fantastic pictures as usual to memorialize the event. It was great to see all the young kids there who seemed to be having a fun time too, and their help with name-tags and in the kitchen was so appreciated. And knowing that I probably left someone out, please accept my apologies because it wasn't done on purpose.

I hope that everyone enjoys our final Club Assembly today. We held our first one on October 8, 2015. On that day, we shared the goals established by the Board of Directors for the year and several directors spoke more about their particular area of responsibility and what they wanted to accomplish this year. This Club Assembly closes out the Rotary year and reflects back on what we have accomplished. Being a board member is a big responsibility and without them, this club could not function. So I extend my final round of thanks (for today) to this year's board members!

People keep asking me if I am glad the year is almost over. The answer is no. Despite the ups and downs, the deadlines and the joys, I am sad to see it coming to an end. What a privilege it has been to serve as your president this year.

Mary Ann Avnet

President 2015-2016
