# MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians,

Last week while attending both the Grand Opening event at the Salvation Army's new Hope Market and the Celebration of Life event for Janie Lynn, it again struck me the scope of assistance we provide to the community and the amazing members we have in this club.

Elsewhere in this week's Wheel is a small retrospective on Janie Lynn. Both in her professional life and as a long-time Rotarian she shines as an example of the type of people we attract to our club. We will sorely miss Janie.

On a related note, I want to make sure we give every member a chance to shine in front of our other members through continuing the Craft Talk sessions. Any member who is interested has the opportunity to present their business or occupation to the club. I think this is a great way to help us all know each other better so don't be shy! If you are interested, please contact me or Shawn and we will work to get you scheduled.

We also still have about 4 business card advertising spots available in the new Wheel. A placement costs \$400 for the year which translates into about \$8.00 per week. The proceeds go to help support our various annual programs so please help your business, and the club, by filling those last few spots!

Lastly, August is Membership Month. Let's each bring at least one person who we feel would benefit from being part of our wonderful organization. You don't have to wait until August to invite somebody but please target bringing one potential member to a meeting between now and the end of August.

Here's to another great week of "Rotary Serving Humanity"!

David H. Thorson  
Club President 2016-2017

Note: The verse I quoted in last week's President's Message is from a Song called "Closer to the Heart" written by the Canadian rock band Rush. Stu Lipoff nailed the answer before the meeting was even over and won a Rotary pin sporting the new branding design. Not only did Stu know the song and band, he even knew the name of the album! And yes it was first released way back in the days when they still had record albums!

**WHAT IS ROTARY?**  
*Rotary is a leadership organization of local business, professional and civic leaders. We meet regularly to form friendships and work together to improve the local and international community*

## REMEMBERING JANIE LYNN

AUGUST 27, 1994 -  
JUNE 4, 2016

Janie was born Janie Lynn Laidman on August 27, 1944 in Cleveland, Ohio. She was an entrepreneur, leader, daughter, mother, grandmother, friend, humanitarian, and eternal optimist. After 18 years in the jewelry business, she became one of the earliest founders of LED Lighting and later started LED, Inc. and Turboflare International.

Janie's dedication and generosity to fairness and education have been an inspiration to all she meets. She was a dedicated Rotarian, and became an honorary member in 2016. Janie began the Coats for Kids program in Woodland Hills, California, served as president of the Sunset Club, and started the Annual SOAR program.

She is survived by her two children, Richard and Suzanne; and grandson, Thomas, whom she raised from age four, son of her deceased daughter, Alycia. She has five additional grandchildren; and one great-grandchild, who brought great joy to her life. Janie's wishes were to be remembered for her life and vibrancy; not to be mourned for her passing.
