MESSAGE FROM THE PRESIDENT

Dear Rotarians,

Now that the election is over and the 45th President of the United States has been sworn in, I thought I would provide you with some fun perspective on politics by some people you may have heard of:

Bipartisan usually means that a larger-than-usual deception is being carried out.

~ George Carlin

Politics is the art of looking for trouble, finding it everywhere, diagnosing it incorrectly, and applying the wrong remedies.

~ Groucho Marx

We have a deeply divided body politic. Half of our population believes our elections are broken, the other half believes they are fixed.

~ Steve Bhaerman (Swami Beyondananda)

Politicians are like diapers. They both need to be changed often. And for the same reason.

~ Tom Blair

I have learned that one of the most important rules in politics is poise, which means looking like an owl after you have behaved like a jackass.

~ Ronald Reagan

And finally, in the spirit of Rotary:

A politician thinks of the next election; a statesman thinks of the next generation.

~ James Freeman Clarke

Much has been given us, and much will rightfully be expected from us. We have duties to others and duties to ourselves; and we can shirk neither.

~ Theodore Roosevelt, March 4, 1905.
