

Rob Cornelius

Rugby 7's

Mr. Cornelius came to Las Vegas from Southern Colorado to attend UNLV in 1988. One day, freshman year, a stranger told Rob he looked like a football player and asked if he wanted to play rugby. Having no idea what he was getting into, he attended a practice and ultimately became a rugby fan for life.

After graduating with his hospitality degree, he joined the staff at the Hard Rock when it opened in 1995.

For fun Rob would attend the USA Sevens Rugby Tournament in San Diego. Seeing the potential of the sport and the Tournament, Rob and a strategic group of people from LVCVA and other area businesses successfully persuaded the International Rugby Board to move the tournament to Sam Boyd Stadium in Las Vegas in 2010.

Later that year, Rob joined the staff of USA Sevens as the Las Vegas Director of Business Development and has been instrumental in growing the rugby tournament into a full-fledged international event. Rob oversees hospitality, sponsorships, and local operations and outreach.

Since Rob joined the company, attendance has increased four-fold and local participation and outreach have grown exponentially.

MESSAGE FROM THE PRESIDENT

Dear Rotarians,

There is a tradition in Japan of celebrating *Setsubun* on February 3rd each year which represents the day before the beginning of the lunar Spring. An associated ritual called *Mamemaki* involves throwing roasted soybeans out the door of your house and/or throwing them at a person wearing an *Oni* (demon) mask to cleanse away all the evil from the former year and welcome in good luck for the coming year. While performing this ritual, the person throwing the beans will say:

“Oni wa Soto!” (Demons Out!)

“Fuku wa Uchi!” (Luck In!)

We have done this at our house on several occasions and not being a native Japanese speaker, my fumbles have led to some good humor. For example, the word for “woman” is “*Ona*” and the word for “sea urchin” is “*Uni*”. So intermittently I have performed this festival essentially saying “Woman Out!” and/or “Sea Urchins Out!”.

Fortunately, my wife has elected to stay, but I have been blissfully free of sea urchin infestations.

All this is just a light-hearted example of how important it is to take the time to understand what people mean, regardless of what words they actually use. In my opinion the Four Way Test is one of the simplest, and best, methods ever developed as a framework for human interaction.

Thank you Rotary!

David Thorson
