MESSAGE FROM THE PRESIDENT

Dear Rotarians,

The origins of St. Valentine’s Day are associated with the ancient Roman festival of Lupercalia, a fertility celebration celebrated annually on February 15th. Around 496, Pope Gelasius I recast this pagan festival as a Christian feast day and changed the date to February 14th.

There were several Saints “Valentinus” at that time but it is unresolved which one, and for what reason, they were associated with this festival. It wasn’t until the 14th century, when the tradition of courtly love flourished, that this festival became definitively associated with romance. Historians suggest it was the famous poet Geoffrey Chaucer who first linked St. Valentine’s Day with love:

“ For this was on St. Valentine’s Day,
When every fowl cometh there to choose his mate”

Interestingly, in 1969 the Catholic Church demoted Valentine’s Day from being an official church holiday although the Anglican and Lutheran Churches, among others, still count it as an official feast day.

Certainly, we here at the Las Vegas Rotary Club celebrate it as a feast day, inviting our spouses and dining on prime rib! Enjoy the feast!
