

2016

# FINANCE PARK

## Thank You!

We wanted to share with you the results of your sponsorship for the fall 2016 in this report. Our most exciting news to share with you though is that Junior Achievement of Southern Nevada was officially gifted the Finance Park Mobile Unit at the end of this past run. What does this mean for our community? It now means that with your continued support we will be able to grow the operating days and reach even more students! In order to do that we will be opening next time in January 2018. This way we have more days with students in school to expand into. We plan to expand by at least 5 more days which will be approximately 500 more kids impacted! We are hopeful you will continue to be our partner as we expand the program.
