# MESSAGE FROM THE PRESIDENT

Dear Rotarians

Today we will have the opportunity to positively impact our club's operational efficiency.

While a mention of the term "bylaws revision" might not conjure images of sheer exhilaration, it is necessary for an organization to assess its guiding documents from time-to-time.

Today, we are proposing separating our club constitution from the bylaws, making it a stand-alone document. Other proposed bylaws changes include:

- Allowing for electronic voting at the annual club meeting
- Clarifying valid reasons for objections to proposed members
- Several smaller changes bringing our club's bylaws in harmony with Rotary International

Proposed changes to our club's Continuing Resolutions (CR) include:

- Requiring an annual review and annual contract for the Executive Director
- Clarifying appropriate uses of the raffle "pot"
- Shortening the amount of days for a valid make-up in line with RI guidelines
- Allowing our club members who watch the weekly Facebook livestream to count as a valid make-up
- Adding a new CR memorializing our club's commitment to the annual Tiberti scholarship

Thank you to **PP Tom Krob** who did yeoman's work in researching best practices and subsequently drafting these changes – while on vacation! A special thanks also goes out to **PP Karen Whisenhunt** and **PP Dave Thorson** for their keen and sharp eyes in reviewing the changes before presentation.

Finally, an advance thank you to you, our members, for indulging your club board in this unsexy, but necessary, endeavour.

Michael Gordon  
95th President

He shared that hospital workers and nurses that worked tirelessly on those who were victims at the event were discovered to be having a hard time with what occurred and that ideas are now being discussed about how to thank them.

• **Carolyn Sparks** introduced our speaker program, **Dr. Shawn Gerstenberger**, Dean of the School of Community Health Sciences at UNLV, who also currently wears the hat of Acting Dean of UNLV's School of Medicine. **Shawn** explained the various areas of activities within the School which are a part of the health care continuum, identifying and discovering ways to prevent 'the preventable' from happening. The scope of what the participants in the School of Community Health Sciences, referred to by **Shawn** as 'chronic do-gooders', extends to Landlord Tenant Hotline, Nevada Institute for Children's Research & Policy, and Prevent Child Abuse. It is clearly a much needed and fast growing school at UNLV.
