**ROTARY:
MAKING A
DIFFERENCE**

WHAT IS ROTARY?

Rotary is a leadership organization of local business, professional and civic leaders. We meet regularly to form friendships and work together to improve the local and international community

Willie McDonald is a native of Fresno, California, with a Bachelor's Degree in Biology and a Master's Degree in Business Administration from California State University. He also graduated from the National Fire Academy's Executive Fire Officers' Program, completed Harvard University's fellowship for State and Local Government Officials, and earned Arizona State University's Certified Public Manager Certificate.

In 1978, Chief McDonald started his fire career in Fresno as a Firefighter Trainee and then promoted through the ranks to Firefighter-Paramedic, Engineer-Paramedic, Captain-Paramedic and Deputy Fire Chief, serving until February 1993. As a Deputy Chief, McDonald

oversaw In-service and Recruit Training, Emergency Medical Services, Fleet (including Maintenance, Repair and Purchasing), Hazardous Materials Response, Disaster Management and Fire Communications.

Willie was appointed Fire Chief in Foster City, CA in 1993, Fire Chief in San Mateo, CA in 1996, Fremont, CA in 2002, and Scottsdale, AZ in 2004. In Scottsdale, he was provided the once-in-a-lifetime opportunity of creating a new Fire Department to replace the private contractor, Rural Metro. Chief McDonald helped to hire approximately 275 employees, purchase necessary protective clothing, tools and equipment; and develop policies, practices and procedures. The new Department was launched at midnight on July 1, 2005 and this event was the start of the City directly providing services without interruption. Six years later in August 2010, McDonald was appointed Fire Chief in San Jose, CA, where the Fire Department has 790 employees serving the nation's 10th largest populated city.

Beginning August 2013, he joined Las Vegas Fire & Rescue as the Fire Chief. The Department is highly respected throughout the fire service, is accredited and maintains an ISO Class I designation.

MESSAGE FROM THE PRESIDENT

Dear Rotarians,

I was fortunate to attend the Rotary Zone 25/26 Institute training as part of the D5300 team this past weekend in chilly Reno.

With a conference theme of “Partnerships Work”, RIPE Barry Rassin had a timely message in which he highlighted the fact that “the only thing that limits the good that Rotary can do is the number of people working the problem...and the resources available to them”.

We all know the problems in our community and how our club is working to address it – from feeding the hungry to clothing the needy to honoring our servicemen and women. We need your help to spread the news about the good that our club and Rotary is doing. Wear your Rotary pin, share our club’s Facebook posts and invite your friends to join you for lunch. It is only through these efforts that we can continue to “Make a Difference” and do good in the world.

VEGAS STRONG

To continue our commitment to keeping VEGAS STRONG, and building upon our extraordinary success with our annual spectacular canned food drive -- we are asking for your help and assistance.

The Salvation Army will soon be distributing new toys to over 5,000 homeless children. Certainly, almost everyone will be holiday shopping between now and December 7 -- the date of Santa Clothes and our Holiday Party.

Please consider donating several new toys that will be brought to the Salvation Army for distribution. We will have a "drop off" table set up as you first enter our room at our three next Thursday meetings: November 9, 16 and 30. Toys should be no more than \$10 each.

More information will be forthcoming if you would like to help distribute the toys at this major Salvation Army Holiday event. Thank you for helping to bring a smile to these beautiful children and help to make this year's holiday all the more special for them.
