MESSAGE FROM THE PRESIDENT

Dear Rotarians

Since our club’s adoption of our mission statement, we have been diligently working with Will Beckley Elementary School to improve youth literacy.

One of the many hands-on projects at the school is to help with “Breakfast with Books” – the book distribution effort open to both enrolled students and their families. Each family member receives a free book, juice box and snack on the second Tuesday morning of every month. Students who complete reading assignments receive an entry into the raffle, while the entire event reinforces the importance of reading as a family activity, which parents are encouraged to continue at home.

Marie Walsh and John Ingeme have done yeoman’s work at Beckley ES setting up and checking families in at these get-togethers. Marie knows the secret of marketing constantly recruiting other Rotarians, publicizing the monthly gathering and reporting on final numbers from the most recent event. At last week’s meeting, it was reported that a whopping 39% of the participating students completed reading logs during winter break. That is the highest number of reading logs for any of the 51 schools participating in these monthly gatherings!

If you ever wonder how the **Rotary Club of Las Vegas** is “Making a Difference” in our local community, you have to look no further than our efforts in improving youth literacy. Join us on the second Tuesday of the month to see it for yourself!
