WHAT IS ROTARY?

Rotary is a leadership organization of local business, professional and civic leaders. We meet regularly to form friendships and work together to improve the local and international community

Kelly Burton Rugby 7's

Kelly fosters and promotes relationships between the Las Vegas community and USA Sevens Rugby Tournament and International Festival and its wide variety of stakeholders. Kelly focuses on community outreach, strategic partnerships, integrity matters, public relations, sponsorships, donations, local government relations, and international dignitary relations. The largest outreach program is the HSBC USA Sevens/Clark County School District Adopt A Country program, which impacted over 15,000 students during the last school year and set a World Rugby Legacy Program participation record for the Series.

An Iowa native, Kelly was a cheerleader and University Athletics Ambassador at Drake University. She moved on to the University of Denver College of Law where she worked with the University's Athletic Department Senior Women's Administrator on development, game production, and Title IX projects. Kelly spent her law school summers in the UNLV Athletic Department assisting in the preparation the NCAA Probationary Progress Report and other compliance matters. After relocating to Las Vegas to serve as an Athletics Development Officer at the University, she transitioned into private practice. Her practice included business litigation, business and estate planning, public and private finance, sports, Tribal law, and gaming. She eventually left law to raise her two daughters. During her tenure as a stay-at-home mom, Kelly volunteered for a number of wonderful local organizations, including the Green Valley United Methodist Church, P.E.O., and the Nevada Childhood Cancer Foundation. Through her volunteer efforts, she discovered the USA Sevens Adopt A Country Program and helped implement that program into her daughters' school.

That scattered and convoluted journey led Kelly to become the Strategic Partnership Director for USA Sevens in 2013, the position she still loves today. Kelly still volunteers with many wonderful local organizations. She lives in Henderson, Nevada with her husband and two teenage daughters.

MESSAGE FROM THE PRESIDENT

Dear Rotarians,

The Las Vegas Rotary Foundation, Inc. is the foundation of the Rotary Club of Las Vegas. The mission of the Foundation is to secure the resources necessary to support the Service Mission of the Rotary Club of Las Vegas: *“Teaching Youth to Succeed through Literacy, Education and Life Skills Development”*.

The Foundation is a not-for-profit organization that is supported solely by voluntary contributions from members of the Rotary Club of Las Vegas and friends of the Foundation.

Supporting the Foundation

Contributions to the Las Vegas Rotary Foundation, Inc. may be tax-deductible within the limitations of the law and provide opportunities for both Rotarians and friends of the Foundation to support the service projects of the Rotary Club of Las Vegas. Individuals can support the Foundation through contributions of cash, securities, or property. All members are asked to participate and support the Foundation on an annual basis ensuring the continued growth of the principal amount.

The Foundation takes pride in recognizing contributions of any size. Those who give \$1,000 or more (or in whose name a donation of \$1,000 or more is made) are acknowledged as *J.A. Tiberti Fellows*. Mr. Tiberti, a 60-year member of the Rotary Club of Las Vegas, was also recognized as one of the “founding builders” since his construction company was literally involved in building Las Vegas. Any club member who gives \$100 will be recognized a “Tiberti Sustainer” and recognized quarterly in the Wheel and annually in the club roster. There will not be any pins or “ladders” (i.e. +1, +2) for Tiberti Fellows.

• **Rosalee Hedrick** introduced our program speaker, **Joselyn Cousins**, regional manager of the Federal Reserve Bank of San Francisco who discussed the annual Small Business Credit Survey (SBCS) that is completed by businesses with 500 or fewer employees. This makes up 99.7% of all employer establishments in the United States. The survey is intended to give policy makers and lenders understanding of the needs of small businesses, provide small businesses and technical assistance organizations information to make informed decisions about credit strategies. Additionally, the collected data will give researchers information to better discern what will help businesses grow faster thus leading to more robust growth of the economy. She further discussed the SBCS that was conducted by the Federal Reserve Bank of San Francisco on the western states with an emphasis on the Nevada specific report. **President Michael Gordon** presented our speaker with a "Share What You Can" award to benefit a veteran in need and adjourned the meeting.
