MESSAGE FROM THE PRESIDENT

Dear Rotarians

For many years, our club has worked with **Principal Katie Decker** to improve educational outcomes for youth in some of our valley’s most economically distressed areas.

Katie has risen to the challenge and students from Walter Bracken STEAM Academy consistently make above average year-over-year academic improvements as well as rate above average on standardized tests. Katie’s leadership did not go unnoticed and she was one of the first principals in CCSD to be entrusted with a new franchising assignment. This model gives proven principals the flexibility to lead multiple campuses concurrently while focusing on results. So, Katie is now leading at both the Walter Long and Howard Hollingsworth locations.

With our club’s focus on youth literacy, we enthusiastically supported Katie’s new role(s). During **PP Dave Thorson’s** year, our club partnered with **PP Tom Thomas** and the Greater Good Council on a project to provide wireless Internet access surrounding the school so that children could complete their homework assignments. Due to our club’s participation in this community-altering project, a snowball effect started that we could not have foreseen.

PP Tom’s brother, **Dr. Steve Thomas**, heard about our club’s endeavor and he decided to visit Hollingsworth and meet with Katie. Based on that meeting, Steve’s family decided to redo the entire playground area and called on their friends at PAR 3 Landscaping to help. The new playground will have 30,000 sq. ft. of new artificial turf, 10 raised planters for the kids “farm to market to table” program, a new running track with enduraflex surface, 29 large shade trees and 60 tons of rock mulch to redo all of the existing planters along with new paint, concrete and plants. This will mean that Hollingsworth will have one of the newest and nicest playgrounds in Las Vegas.

“Amazing how one good act begets another” – **PP Tom Thomas**
