In addition to his work with Rotary, John has completed two successful careers. The first with the U.S. Navy for 20 years, retiring as a Commander in the Supply Corps. The second where he recently completed 25 years as a Senior Vice President with Costco Wholesale. Costco is a \$110B company with 180,000 employees worldwide. While with Costco, John had responsibilities for all of the Human Resource and Risk Management functions.

While living in Seattle, John has been active in both corporate and community boards, including the Seattle Chamber of Commerce, The Advisory Board for the University of Washington Bothell, Mercer Island Presbyterian Church, Rotary First Harvest and NW Reinsurance.

John and his wife Mary Ellen, who is also a Rotarian have been active supporters of the Rotary Foundation. They have travelled internationally in support of foundation grants and polio immunization. They believe that some of the greatest gifts that Rotary brings to the world are our Peace Programs and the scholars that graduate from them. In support of those efforts, John and Mary Ellen have established the John and Mary Ellen Matthews Endowed Rotary Peace Fellowship.

## MESSAGE FROM THE PRESIDENT

Dear Rotarians and guests

With so many challenges facing our communities today, it's tempting to think that there is little one can do.

Let me assure you that nothing can be further from the truth. Thanks to your dedicated support, the Rotary Club of Las Vegas is hard at work in the Las Vegas valley. For instance, just during the past 18 months our club has improved reading scores at Beckley Elementary, collected over 200,000 canned food for the Salvation Army, bought winter clothing for 364 children, built 3 houses in Mexico, distributed 12 wheelchairs to the local Easter Seals, recognized 25 airmen from Nellis AFB through our Wetzel awards and sent 56 local high school children to various leadership camps.

We're making progress, but the challenges we face are complex and require long-term commitment. **Here's where you come in.**

Through the visionary leadership of past Rotarians, our local club foundation is close to reaching \$2million. Once we reach that goal, it will produce an annual income of around \$55,000 that has to be spend in the local community. According to the foundation bylaws, the money from our local foundation can only be spent in Las Vegas. Just think of the local impact our club can continue to make with increased funds!

Your financial contribution tonight signals that you support a world in which our club helps to *"Teach Youth to Succeed through Literacy, Education, and Life-Skills Development"*. You have the power to change the future of Las Vegas through your generous contributions!

Yours in Rotary service,

Michael Gordon  
95th President

# MAYOR CAROLYN GOODMAN

Winning 60 percent of the vote, Carolyn G. Goodman became the mayor of the city of Las Vegas on July 6, 2011. Her husband of 54 years and 12-year, term-limited mayor, Oscar B. Goodman, administered the oath of office. It is the only known instance of a spouse succeeding a spouse as mayor in the United States. In 2015, Mayor Goodman was handily re-elected to another four-year term.

She has been a galvanizing force for bringing together the nonprofit social service agencies in southern Nevada to create a collaborative and establish a valid database of 501(c)(3)s for donor evaluation. She currently serves on the board of this nonprofit. Carolyn has been an

advocate of Las Vegas' \$44.9 billion tourism industry and is a board member on the Las Vegas Convention and Visitors Authority. She also serves on the Las Vegas Global Economic Alliance (LVGEA), Las Vegas Events, the Southern Nevada Tourism Infrastructure Committee, the Regional Transportation Commission and the Clark County Regional Flood Control District. She is chair of the Las Vegas Redevelopment Agency and serves on the UNLV Medicine Community Advisory Board; the Governor's Technical Advisory Committee for Clark County School District Reorganization; the Governor's Commission on Tourism; and the U.S. Environmental Protection Agency (EPA) Local Government Advisory Committee. She is a founding member of the UNLV School of Medicine Community Engagement Board.

Carolyn is well known in the Las Vegas community for founding The Meadows School in 1984, Nevada's first nonprofit, college preparatory school for pre-kindergarten through 12th grades. Carolyn planned and oversaw the entire day-to-day operations for 26 years orchestrating and creating the curricular development; overseeing the budget; hiring administration, faculty and staff; and managing the entire physical plant and fundraising endeavors for the organization. During this time, Carolyn never had ownership of the school as it was incorporated as a 501(c)(3) entity. Furthermore, during her 26 years in leadership, Carolyn never took a salary. She retired in June 2010.

Carolyn and her husband moved to Las Vegas from Philadelphia in 1964 as relative newlyweds arriving in August with only \$87 between them. Initially, Oscar (a member of the Pennsylvania Bar) worked for the District Attorney's office while Carolyn began work in the hotel industry. Prior to that, she worked as a vocational counselor in West Las Vegas for the Department of Labor training and building employment opportunities for African Americans in a then-segregated city. While her husband traveled the country (establishing what became an outstanding criminal law career winning high-profile cases), Carolyn raised their four infant children while simultaneously earning a master's degree in counseling at the University of Nevada, Las Vegas.

Carolyn has served the people of Las Vegas by volunteerism and therein in leadership in many community nonprofit boards, charities and service organizations. She has proven her deep commitment to the community and continues to be devoted to the highest quality of life for all southern Nevadans by her efforts and dedication.

Born and raised in New York City, Carolyn attended and graduated from Bryn Mawr College where she served as Student Government President and earned a degree in Sociology and Anthropology.

## Supporting the Foundation

Contributions to the Las Vegas Rotary Foundation, Inc. may be tax-deductible within the limitations of the law and provide opportunities for both Rotarians and friends of the Foundation to support the service projects of the Rotary Club of Las Vegas. Individuals can support the Foundation through contributions of cash, securities, or property. All members are asked to participate and support the Foundation on an annual basis ensuring the continued growth of the principal amount.

The Foundation takes pride in recognizing contributions of any size. Those who give \$1,000 or more (or in whose name a donation of \$1,000 or more is made) are acknowledged as J.A. Tiberti Fellows. Mr. Tiberti, a 60-year member of the Rotary Club of Las Vegas, was also recognized as one of the “founding builders” since his construction company was literally involved in building Las Vegas. Any club member who gives \$100 will be recognized a “Tiberti Sustainer” and recognized quarterly in the Wheel and annually in the club roster. There will not be any pins or “ladders” (i.e. +1, +2) for Tiberti Fellows.
