DIFFERENCE**

WHAT IS ROTARY?

Rotary is a leadership organization of local business, professional and civic leaders. We meet regularly to form friendships and work together to improve the local and international community

Liam Frink **UNLV**

Liam Frink's research and scholarship interests include Arctic prehistory and colonial history. His current work has two main trajectories. He conducts ethnoecological field research in western Alaska and works in Yup'ik Eskimo villages where people continue to hunt, fish, and gather with many of the same subsistence techniques and tools that would have been used prehistorically. He is particularly interested in how technology has changed as well as the social, economic, and health context of these various technologies. A primary goal of his interdisciplinary modern field- and lab-based studies is to better identify archaeological signatures as well as to pique new questions of the past material record. In addition to these studies, he is interested in the colonial period and the processes of change and persistence among native people. For these studies, he gathers interview data with elders who have interacted with early colonial institutions and practices as well as conducts archival and museum research.

MESSAGE FROM THE PRESIDENT

Dear Rotarians

Paul Percy Harris was born on this day (April 19) in 1868 in Wisconsin. He graduated 1891 from the University of Iowa with a Bachelor of Laws degree. After working some odd jobs, he began his law practice in 1896 in Chicago's main business district.

According to Harris, he was invited to dinner at the home of a professional friend. After dinner, the two took a stroll through the neighborhood. During this walk, his friend introduced him to the various tradesmen in their stores. It was this event that made Harris wonder, "Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion?"

On February 23, 1905, Paul Harris formed the first club with three other businessmen: **Silvester Schiele**, a coal merchant; **Gustavus Loehr**, a mining engineer; and **Hiram Shorey**, a merchant tailor. Paul Harris named the new club "Rotary" because members met in rotation at their various places of business.

Today, 112 years after its international formation, we still enjoy that camaraderie and friendship – especially in our service to the youth of Las Vegas.

Michael Gordon
95th President
Rotary Club of Las Vegas

"Whatever Rotary may mean to us, to the world it will be known by the results it achieves."
