DIFFERENCE**

WHAT IS ROTARY?

Rotary is a leadership organization of local business, professional and civic leaders. We meet regularly to form friendships and work together to improve the local and international community

Len Jessup UNLV President

Len Jessup joined UNLV as its 10th president in January 2015. An accomplished leader in higher education, Jessup brought his experience as a university professor, administrator, entrepreneur and fundraiser and lead UNLV on its path to become a high-performing, community-engaged Tier One research university. Among his top priorities was the development of UNLV Medicine. He will soon be leaving UNLV to become President of Claremont Graduate University.

Like many of UNLV's students, Jessup was the first in his family to graduate from college. This experience informs his understanding of the crucial role universities play in transforming families and communities, and it has been a motivating factor in his career in higher education leadership.

Prior to UNLV, Jessup served as dean of the Eller College of Management at the University of Arizona (2011-2014), where he was also professor of entrepreneurship and innovation and the Halle Chair in Leadership. He led Eller to become a self-sustaining college with higher national rankings that robustly contributes to the state's economic development. As a founding board member of the University of Arizona Health Network, he also contributed to the rethinking and restructuring of the university's academic medical center.

Jessup is a leading researcher in management information systems, with a focus on the use of emerging technology in higher education and business, new venture strategies, and social entrepreneurship. He was instrumental in creating the University of Arizona's technology transfer and commercialization program, Tech Launch Arizona. He led the development and expansion of online degree and executive education programs at Arizona and helped drive similar innovations in previous positions at Washington State University (2000-2011) and Indiana University (1995-2000).

A former baseball player in the highly competitive California junior college system, Jessup received his B.A. in information and communication studies in 1983 and his MBA in 1985, both from California State University, Chico. He earned his Ph.D. in organizational behavior and management information systems from the University of Arizona's Eller College of Management in 1989, and was awarded the Outstanding Ph.D. Alumnus in 2004.

Jessup resides with his fiancée Kristi Staab, a former broadcast industry executive who owns and operates a successful leadership and sales training and development business. Jessup has a daughter, Jamie, and a son, David.

MESSAGE FROM THE PRESIDENT

Dear Rotarians

As the stewards of our local Foundation, the Las Vegas Rotary Foundation board oversees the investment of our nearly \$2million endowment. An annual distribution is made from this fund and those distributed dollars **must** be spent in the local community. That means that every dollar you donate will benefit our valley. In the spirit of transparency, I'm including the rationale and calculation that was used at last Thursday's Foundation board meeting

"The intention of having a base or floor is to not be able to spend contributions, only 'growth' from the investments. This was done because of the opinions expressed by a number of Club members who feel that if they donate a dollar, it should never be spent. As prescribed by the Endowment and Distribution Policy adopted by the Foundation, distributions to the Las Vegas Rotary Club, Inc. from the Endowment Fund are determined each year by the Foundation Board (subject to the Endowment Base limitation), up to a maximum of 3% of an average of the portfolio balances on March 31st of the prior three years. The calculation is:

portfolio balance 3-31-2016: \$1,657,976.17
portfolio balance 3-31-2017: \$1,840,644.00
portfolio balance 3-31-2018: \$1,998,178.60

subtotal: \$5,496,798.77

$\div 3 =$ **\$1,832,266.26** 3 year rolling average

$\times .03 =$ **\$54,967.99** 2018 tentative distributable amount

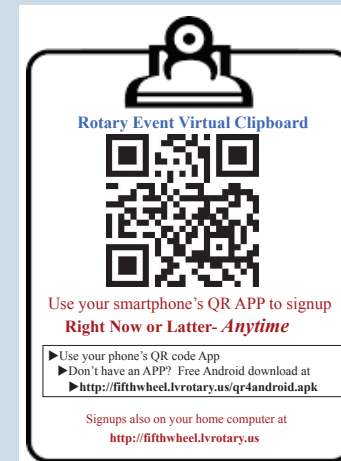

Since there is a positive spread in excess of the 2018 amount available for distribution, a distribution of up to \$54,967.99 can be made for the coming Rotary fiscal year."

95th President

2018 NV CENTENNIAL MEDALLION RECIPIENT

Michelle Quizon graduates summa cum laude with a Bachelor's in Mechanical Engineering. Her accolades include concurrently taking pre-med and engineering coursework and four fully-funded research experiences, including an Amgen Scholar internship at Stanford, an NSF PIRE fellowship in South Korea, an Honors Thesis, and numerous presentations spanning the international, national, state, and university levels. UNLV Innovation magazine called Michelle a protégé.

Outside class, Michelle has served as a nationally recognized social justice advocate, Resident Assistant, Juvenile Diabetes Research Foundation volunteer, Student Rec Building Manager, Honors College Mentor, Alpha Gamma Delta Alumni Relations, and Alpha Psi Rho Sweetheart. Off campus, she is an International Powerlifting Champion and Crossfitter.

On direct route to a Ph.D., Michelle has earned more than \$825,000-worth of scholarships to top Bioengineering graduate programs. She has selected the Georgia Institute of Technology, nationally ranked #2. Michelle was named a President's Fellow, an honor presented to only the top 10% of applicants, across all of Georgia Tech's graduate programs.

Michelle intends to cure diseases with regenerative medicine, using biomaterials and drug therapeutics.

SCRIBE APRIL 26, 2018

• **President Michael Gordon** called the meeting, honoring 30 Years Of Women In Rotary, to order. **PP Caty Crockett**, our Club's first female President, gave the invocation. **Ted McAdam** (standing in for **Arleen Sirois**) led the club in singing America The Beautiful, followed by the Pledge of Allegiance. The Sergeant at Arms was **Gina Gentleman**.

• There were (5) International Rotarians, (7) visiting Rotarians and (4) Guests of Rotarians introduced.

• The head table included **PP Randy Donald**, our program speaker **PDG Sylvia Whitlock**, and **First Lady Amanda Gordon** and 'Rotarian In Training' (Rotary tie and all) **Samuel Gordon**.

• Feedback of events by **President Michael** included: announcement that our club's entrant, **Wesley Chen**, took 2nd Place in the Dan Stover Regional Competition; and a 'well done' for the article about our club appearing in this month's Rotarian Magazine – if you don't plan to keep your copy, members are encouraged to bring their copy to our meeting to be used to help with recruitment into our club.

• **President Michael** presented a check from the club for \$25,000 to Spread The Word Nevada representatives, **Lisa Habighorst** and **Pam Lang** to continue our club's support of Beckley Elementary School; **LVRP President Larry Rouse** presented a check for \$2,500 to the 2018 Tiberti Scholarship winner, **Elizabeth Martinez**.

• **President Michael** presented a 4-Way Test coin to **PE Kim Kohl**, **Ryan Hamilton**, **Kirk Holmes** & **Stu Lipoff** for their work 'above and beyond', helping to make the Annual Car Show such a success.

• The weekly drawing began at \$1,680 plus this week's donations. The Ticket Winner was **Francesca Gilbert** who won \$10 and the Lawry's Bucks Winner was **PEE Jackie Thornhill**.

• **Lynn Moser** from the Summerlin Rotary Club shared the message of **DG Reghada Khoury** introducing Wheels In Heels, encouraging a challenge to men and a corresponding donation to the Rotary Foundation for our Paul Harris fund to 'walk in women's shoes', honoring '30 Years of Women In Rotary'. The first challenge was met by **PP David Thorson**, carefully walking in a pair of sparkly high heeled T-straps, showing off his refined 'bend and snap'!

• **PP David Thorson** reminded the club of the exciting debunking planned for **President Michael** scheduled for June 28th and also announced, with **Andrea Roe** from the Las Vegas Lights FC, that our club, the USO and the Lights are working together to raise \$1,700 to provide tickets to local airmen to attend the Lights FC game on June 2nd – so far \$750 has been donated from the club board.

• Membership chair **Rosalee Hedrick** reminded the Club of the New Member Orientation, open to all members, to be held on May 2 at 6 p.m. at **Jerry Engel's** home; **President Michael** read a lovely letter of thanks from our Argentinian Youth Exchange Student Pilar for the opportunities she has experienced; **PP Karen Whisenhunt** announced the Putting Tournament on May 6th and golfers are still needed; **Ted McAdam** provided updated information for the Creech AFB tour on Tuesday May 29.

• **PP Randy Donald** introduced our speaker program, **PDG Sylvia Whitlock**, a pioneer for Women In Rotary. **Dr. Whitlock** shared her educational and professional background, leading up to the day she was invited to attend/join a Rotary meeting at the Duarte Club in the mid-1980s, at a time when women weren't allowed to join Rotary, through the removal of the Duarte Club's Charter, the birth of the Ex-Rotary Club of Duarte, the litigation in the Appellate and Supreme Courts to change the rules regarding women in Rotary that followed, the reinstatement of Duarte's Charter (the "mouse that roared") and allowing women to join Rotary, ending sexual discrimination in Rotary, and then becoming the first female Club President (and sole female at PETS) and later District Governor for District 5300. It was never intended as a 'women's issue' but was more of a civil rights issue, referring to the Unruh Act.

• **President Michael Gordon** presented our speaker with a "Share What You Can" award to benefit a female veteran in need and then adjourned the meeting.

The May Issue of
THE ROTARIAN**

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
