“Livin’ on a Chair” Lessons Learned After Breaking my Neck

On a whim Scott Allen Frost went for a dirt bike ride on a beautiful afternoon in May 2009 and broke his neck, leaving him paralyzed from the shoulders down. Terrified, he was left to choose. Give up on life or try to make it better than it was before.

Motivated by a series of surreal miracles that followed a cryptic commandment heard in the dark of his hospital room, Scott chose to live life in the face of tremendous adversity.

Since his accident Scott has served as President of Titan Brands. He and his team have designed, opened, and operate four restaurants in Nevada including Hussong’s Cantina and Slice of Vegas Pizza at the Shoppes at Mandalay Place, The Silver Legacy Resort and Casino in Reno, and Hussong’s Cantina in Boca Park.

Scott will share his story of his journey from lying hopeless in a ditch after his accident to discovering the power of faith and love as he persevered through a grueling physical rehabilitation. You will be moved and inspired by the lessons he’s learned after he began a new life in a wheelchair and left pondering the power that resides in and around all of us.

MESSAGE FROM THE PRESIDENT

Below is information from Rotary International regarding the Foundation:

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. During the past 100 years, the Foundation has spent \$3 billion on life-changing, sustainable projects. With your help, we can make lives better in our community and around the world. The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Why should Rotarians donate to The Rotary Foundation? Donations makes a difference to those who need our help most. More than 90 percent of donations go directly to supporting our service projects around the world.

How does The Rotary Foundation use donations? Rotary's 35,000 clubs carry out sustainable service projects that support Rotary's six causes. The Foundation has wiped out 99.9 percent of all polio cases. Donations to the foundation also trains future peacemakers, supports clean water, and strengthens local economies.

What impact can one donation have? It can save a life. A child can be protected from polio with as little as 60 cents. The Foundation's partners make donation go even further. For every \$1 donation eradicate polio, the Bill & Melinda Gates Foundation has committed \$2.

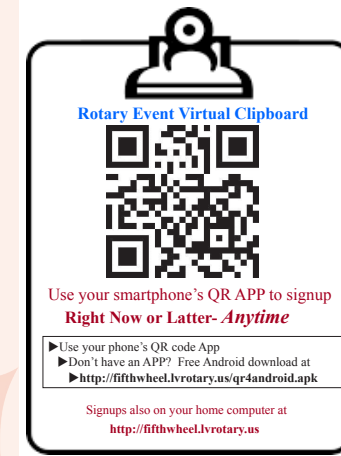

As we enter the season of thankfulness and giving, please consider making a donation to the Rotary Foundation of Rotary International.

The scope of the problem with crude oil and gas beginning to flow out from the well, the fact all three fail safe shut offs failed, the impact economically and environmentally was discussed and most importantly, how to contain and control the situation, from burning the oil, boiling and skimming, to subsurface dispersal. Ultimately keeping oil in the water column and ultimately disperse downward, reduced the impact to the land and sea
