WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Dr. Jesus Jara has a lifelong passion for creating better opportunities for all children through education. That passion has roots in his own childhood, having moved from Venezuela to Miami. As an English Language Learner, Dr. Jara faced many obstacles and challenges as he acclimated to the United States; however, his students. They were a critical factor in his success.

The Board of School Trustees of the Clark County School District (CCSD) appointed Dr. Jara as superintendent effective June, 2018. Dr. Jara immediately started meeting with employees, families and community leaders to explore the needs of a 358 school district with over 320,000 students. Dr. Jara has pledged to accelerate the work at CCSD – such as growth in the graduation rate, Advanced Placement (AP) participation, and the expansion of Magnet programs – with a focus on student achievement. After a period of academic and operational review and extensive engagement with internal and external stakeholders, Dr. Jara will work with the Board of School Trustees on a revised strategic plan with more specific goals to accelerate student success.

Dr. Jara has been serving public school students for over 20 years. He previously served as the deputy superintendent for Orange County Public Schools in Florida for six years. As deputy superintendent, he functioned as the superintendent's designee. He oversaw five area superintendents and the division of Teaching and Learning, including all programs from early childhood to adult education. With his assistance, Orlando's achievement gap narrowed faster than 90 percent of major cities across the United States, according to Education Quality Index.

MESSAGE FROM THE PRESIDENT

Every year at this time, my family watches a Charlie Brown Christmas. During the TV show, we hear Luke 2:14 from the King James Version of the Bible. "Glory to God in the highest, and on earth peace, goodwill to men." At this time of year we sing about goodwill in Christmas carols and send each other cards filled with hope and joy for the coming year. Regardless of our religion, during the holiday season we pray for an end to wars, an end to bitterness and hostility, and an end to fear. At this time of year we go to parties and talk about how nice it would be to have Christmas all year long, so people could think about peace and goodwill to all mankind. As Rotarians, we think about how we can foster peace and goodwill to mankind throughout the year, and then we do something about it.

Two weeks ago, we heard from Florence Maher our second Rotary Peace Scholar. We sent her to attend the International Christian University Rotary Peace Center in Japan which is one of Rotary International's six Peace Centers. Rotary's Peace Centers train and develop leaders who work towards peace by helping to train others in conflict prevention and resolution. "The ICU Rotary Peace Center commits itself to this mission in line with Rotary International's long established tradition of peace and conflict resolution and peace-building through its well-known global projects addressing concrete problems of human suffering and deprivation." In the last decade, the Rotary Peace Centers trained over 1,000 people for careers in peacebuilding. Our Club has actively supported this mission.

By promoting peace on earth and goodwill towards mankind, we celebrate the spirit of Christmas all year long. Have a great and safe end to the holiday season, enjoy the Cold Moon and the winter solstice tomorrow. I hope your 2019 is filled with peace, goodwill and success. I look forward to seeing you again in January.
