## MESSAGE FROM THE PRESIDENT

Happy St. Valentine's Day and welcome to all the spouses, boy-friends and girlfriends! We thank you for sharing the love of your life with us each week at Rotary.

We celebrate Valentine's Day in memory of Saint Valentine of Rome. Historians believe that St. Valentine was martyred on February 14, 269. St. Valentine is believed to be the former Bishop of Terni, Narnia and Amelia. St. Valentine was arrested for converting people to Christianity and for marrying them. St. Valentine was sent to Rome under the emperor Claudius Gothicus (Claudius II). Claudius II had forbidden marriages because he believed that he was having trouble raising armies due to the men's attachment to their wives and children.

While in Rome, St. Valentine attempted to convince Claudius that Christianity was a valid religion. Claudius II rejected St. Valentine's overtures and instead sentenced St. Valentine to renounce his faith or be beaten with clubs and beheaded. St. Valentine refused to renounce Christianity. The sentence was carried out on February 14, 269, although there is some disagreement on the year of his martyrdom.

Legend has it that while in jail, St. Valentine left a farewell note for the jailer's daughter, who had become his friend, and signed it "From Your Valentine." Some believe that his martyrdom was mingled with the Feast of Lupercalia, a pagan festival of love. During that festival young women placed their names into a box, from which they were drawn by the men as chance directed. We know that St. Valentine was martyred on February 14. We also know that in 496 Pope Gelasius marked February 14th as a day of celebration in honor of his martyrdom. Since then, Valentine's Day has grown into a date for exchanging love messages, poems and simple gifts such as flowers. I encourage everyone to share the gift of your company at today's meeting with your fellow Rotarians.
