Dan Stover Music Competition

Each year musically talented high school students participate in a Rotary District 5300 program entitled The Dan Stover Memorial Music Scholarship, and winners qualify for educational awards that enable them to further their studies at an accredited college, university, or music conservatory upon high school graduation.

The words of education and music transected in the life of Dan Stover, a secondary education professional whose musical talents were shared with his family, his community, and certainly with Rotary, at both the local and District levels.

Dan Stover was an educator who always placed the student first, and his obvious respect for his students transformed the lives of countless young people. He shared his love of learning with the young, providing them with a positive role model for structuring their studies and lives.

Dan Stover was an accomplished musician, both as a vocalist and instrumentalist. He was as much at home in the finals of Barber Shop Quartet competitions as he was at the keyboard of his famous "Rotary" organ, serenading Club members and District Conferences with his unique musical wizardry.

Dan passed away shortly following the 1987 District Conference at which his friend and fellow Alhambra Rotarian, Dr. Tim Keen Siu, became District Governor. Dan was noticeably ill at the conference, but he played his heart out for Dr. Tim and others, knowing that the show must go on.

The Rotary Club of Alhambra, in the year following Dan's death, established a Music Scholarship Program and Competition in Dan's name. The program was proposed, organized, and championed by new Rotarian Christine Montan who, as Alhambra's first female Rotarian, quickly recognized and appreciated the talent and effectiveness of Dan Stover as a Rotarian and as a person.

Under Rotarian Montan's leadership, The Dan Stover Memorial Music Scholarship became a District program in the following year, and the rest is history. A whole generation of talented, young musicians have had the opportunity, in the name of Dan Stover, to compete against their peers, and earn funds to further their musical education.

MESSAGE FROM THE PRESIDENT

Last week we began our Drop your Drawers clothing drive to support the homeless high school students who are supported by Project 150. For those of you who don't know, Project 150 currently serves more than 6,000 high school students in need in Clark County, Nevada. Project 150 serves 3,300 registered homeless and 3,100 non-registered homeless, displaced and disadvantaged high school students at 58 high schools in Southern Nevada. Project 150 recently expanded its operations to 20 high schools in Washoe County, Nevada.

The kids that Project 150 serves desperately want to stay in school and graduate but are constantly in need of a place to sleep, bathe, and change clothes. Some of the most needed items are underwear, bras, and women's sanitary products. These items are in short supply because most people who donate to Project 150 donate their gently used clothing (which is also needed). They typically do not donate new socks, underwear and bras because few people if any, have them laying around the house.

If you are interested in helping Project 150 outside of the Club's current clothing drive, there are multiple projects that can be pursued throughout the year. www.project150.org. Project 150 needs volunteers each Thanksgiving and Christmas to help pack 2,000 meals that Project 150 delivers to homeless students and their families. Project 150 can also use volunteers at its clothing distribution and pickup points. There is always staff needed at Betty's Boutique from 1:00 p.m. to 4:00 p.m. daily, which is Project 150's store where gently used clothing is given to teenagers with a valid student identification.

Project 150's kids are deserving of our support. This is a new project for the Club and I hope that we are able to make a significant impact on Project 150's need. Please help make the Drop your Drawers clothing drive a success.
