MESSAGE FROM THE PRESIDENT

The Rotary Foundation began as an idea proposed by Arch Klumph in 1917. He suggested that Rotary create and maintain an endowment fund dedicated to “doing good in the world.” The Rotary Foundation came into existence when the initial contribution of \$26.50 was made to it by the Rotary Club of Kansas City, Missouri. The Rotary Foundation was officially so named at the Rotary Convention of 1928. Arch Klumph dared to share his vision with other Rotarians. Arch’s vision was adopted by Rotarians and slowly grew.

In 1930, the Rotary Foundation made its first gift of \$500 to the International Society for Crippled Children (“ISCC”). ISCC was created by Rotarian Edgar F. “Daddy” Allen. Today we know ISCC as Easter Seals. In 1947 when Rotary founder Paul Harris died, contributions began pouring in to Rotary International. As a result of the overwhelming support for Paul Harris, the Paul Harris Memorial Fund was created to help grow the Foundation. Recently, Rotary International launched the Every Rotarian Every Year initiative. It asks all Rotarians to support the Rotary Foundation every year. The Las Vegas Rotary Club makes the same ask of each of its members. Historically we are one of the strongest clubs in District 5300 when it comes to supporting the Rotary Foundation. While we have a good per capita donation rate, we do not have a 100% member support rate. I am hopeful that in President Elect Jackie Thornhill’s year and thereafter we can report to District 5300 and RI that 100% of our club members support the Rotary Foundation.

Due to the generous support of Rotarians like you, Arch Klumph’s idea to create a fund for “doing good in the world” has grown from \$26.50 into a global force of good. With everybody’s help the Rotary Foundation will continue to grow and do good in the world for generations to come.
