## MESSAGE FROM THE PRESIDENT

Today we welcome Past President Dave Thorson as our speaker. Dave is the Center Director of the USO that is located in McCarran International Airport. USO is short for United Service Organizations, Inc. According to its website, the USO provides support to service members and their families through programs focused on connection, strengthening, wellness and resiliency. The USO was formed in 1941 after Franklin D. Roosevelt requested that something be done to help the U.S. troops before they left and while they were in the theaters of combat.

The USO was originally formed to provide entertainment to the U.S. troops who were fighting in World War II. The goal was to provide U.S. troops with a slice of home, so that they could remember what they were fighting for and what was waiting for them when they got home. Through the years numerous celebrities have donated their time and risked their safety to entertain our troops while serving on foreign soil. Although it disbanded for a period after World War II, the USO has been in continual operation since the Korean war.

As we will learn from PP Dave, the USO's scope of services has greatly expanded from providing entertainment to our troops. Many thanks to PP Dave for the help and services he and the USO provides to our troops.
