Las Vegas Rotary Club

Brenda M. Cressey

The Rotary Foundation

Brenda was invited to join Rotary in 1989 and is a proud member of the Rotary Club of Paso Robles, CA. USA in District 5240. She is recently retired as the CEO of Office Support Systems, a telecommunications business.

She has served in a number of key roles for Rotary International and The Rotary Foundation, in the areas of membership, foundation, leadership training. These opportunities have allowed her to meet, mentor and serve alongside many fellow Rotarians around the globe. Brenda currently serves as Chair of The Rotary Foundation and is serving a four-year term on The Rotary Foundation from 2017-2021.

Since serving as Governor in 2001-02, most of her Rotary assignments have focused on successful Fund Development for The Rotary Foundation, specifically in the areas of Polio Eradication, Annual Fund, Paul Harris Society, Endowments, Major and Legacy Gifts. She has enjoyed witnessing several successful outcomes with several Districts she has assisted and advised in these efforts.

Her passion is and has always been to see the end of Polio. This has been her mission and the very reason she joined Rotary. Having participated in a number of Rotary humanitarian projects around the world, she is a proud Rotary Foundation Alumnus. Brenda has seen and experienced, first-hand, how our gifts to the Rotary Foundation greatly impact the lives of others and will someday bring peace and understanding around the world.

She and her husband Dick are members of the prestigious Arch Klumph Society, Major Donors, members of the Legacy and Paul Harris Society and have established the Brenda and Richard Cressey Endowment for Peace.

When asked what the highlights in her life might be, she will not hesitate to say that they involve being a Rotarian. She is the recipient of the RI "Service Above Self Award" and The Rotary Foundation's "Citation for Meritorious Service," and prestigious Distinguished Service Award.

Outside of Rotary, Brenda was honored when nominated as one of President George H.W. Bush's "1000 Points of Light," recognizing those individuals who are making a difference through their volunteer service. She was also awarded Maine Public Broadcasting System's "Jefferson Award for Meritorious Service," and bestowed with the "State of Maine Governor Award for Community Service. She is also a two-time recipient of the American Cancer Societies Volunteer of the Year Award.

Brenda resides in Templeton, California, USA with her husband Richard, retired from a long career as a Vice President in manufacturing. They both enjoy spending time outdoors and traveling and have three wonderful grandchildren.

MESSAGE FROM THE PRESIDENT

Thank you, members, for another great Rotary year! Thank you, Past President Jim Kohl, for your leadership and congrats again on winning both the Governor's Bell and Presidential Citation. Now on to 2019-2020! Our first guest speaker is Brenda Cressey, the Rotary International Foundation Chair. I want to dedicate my first message to the amazing work of the Foundation.

Let's start with the Foundation's Mission:

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Next, I want to share a snapshot of the Foundation's history and then let our guest speaker discuss the more current Foundation service projects and goals.

In 1917, then Rotary President Arch Klumph, proposes an endowment for the purposes of doing good at the Rotary Convention in Atlanta, Georgia. Seed money was contributed by the Rotary Club of Kansas City. In 1928, The Rotary Foundation is formally named. In 1930, the first Foundation award of $500 (a very large amount at the time,) was given. In 1947, Rotary Club members contribute $1.3 million in Founder Paul Harris' memory. In 1957, Paul Harris recognition begins. Skipping ahead, in 1979, Rotary begins immunizing 6 million children in the Philippines against polio. In 1980, Rotary commits to eradicating polio through immunization. In 1985, Polio Plus is launched. The plus refers to additional vaccines, infrastructure, advocacy and fundraising efforts now in place. In 1999, Rotary Peace Centers are founded. In 2007, the Bill and Melinda Gates Foundation issues the $100 million-dollar challenge. Yes, Bill Gates is listed as a member of the Seattle One Club!

Now after the many decades of work, I am proud to report that as of the International Convention last month in Hamburg, there remains only 18, that's eighteen cases of polio still recorded in the world! Two countries are left, Afghanistan and Pakistan with Nigeria about to be declared polio free.

Now, you have a shortened version of how our Foundation dollars have been allocated over the past years. I can't wait to hear about the future as the Foundation continues its mission to advance understanding, goodwill, peace, education, lifting people up and ridding the world of a major health crisis.

Today, our new Rotary International President, Mark Daniel Maloney asks us to "Connect the World." In his welcome email to the Rotary leadership he wrote, and I quote "I have spoken for several months about how Rotary Connects the World, and the time has now arrived to put our words into action. We have an exciting year ahead of us, a year when we begin to implement the new Strategic Plan, what I call the Rotary Action Plan and when we will celebrate the 75th Anniversary of the signing of the UN Charter."

I can't wait for the rollout of the new Rotary Action Plan, the new International Foundation Service Project, and of course, our local service projects, fundraising and social events.

We are "People of Action" We live "Service above Self"

3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
4. Will it be **BENEFICIAL** to all concerned?
