## District Governor 2019-2020

### Vision of Rotary

A fourth-generation Rotarian, Luanne “Lu” Arredondo was born in Colorado Springs, Colorado, raised on the family ranch in Corrales, New Mexico, and grew up the youngest daughter of 11 children. Paul Harris was often the focus of conversation at the dinner table – also a place where many of her life lessons about service to others originated. Luanne relocated to Southern California in 1989 where she would eventually meet and marry hubby Moises (aka “Moe”).

Luanne graduated summa cum laude with a double Bachelor of Science degree in psychology and biology from the University of New Mexico. She went on to graduate magna cum laude with a double masters in finance and business administration from California State University, Los Angeles, specializing in change management. After 15 years of working at the executive level with Fortune 50 organizations, Luanne opened LA Business Consultants, LLC in 2005, growing it from a small one person office into an international film, finance, and change management organization.

Luanne believes that we honor our blessings by giving of ourselves to those who need us most. She belongs to several organizations in her local community, including service as a commissioner on the Community and Senior Services Commission for West Covina. Luanne joined Rotary in March 2010 to continue the legacy of Rotary service in her family. Serving as a two-term president, Luanne and the Rotary Club of West Covina Sunrise earned the coveted Governors Bell Award, and she received Rotary International’s recognition as Rotarian of the Year. Luanne has served in several posts at the club level including public relations, website administrator, co-treasurer, club secretary, Interact liaison, and member of the board of directors. At the District level Luanne has served as PR chair, international projects co-chair, district conference chair, assistant governor, community outreach chair, peace conference administrator, and trainer.

When not busy at work or in service to others, Luanne and Moises enjoy spending time with their three children, Josh (age 30), Zack (age 28), and Bryan (age 16). They enjoy camping, fishing, back-yard BBQ, softball, and board games. For Luanne and Moe Rotary is more than just a passion for humanitarianism and doing good in the world. It is an organization that recognizes the value of family and the impact we have when we work together.

# MESSAGE FROM THE PRESIDENT

A few weeks ago, I discussed how Rotary Action Groups connect the world of Rotarians. As a refresher, RAGs are global groups of Rotarians and others who are experts in many fields and can offer help and resources for a specific project at the Club or District Level.

The other way to connect the world is through a Rotary Fellowship. From RI's website, "Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience." They differ from Rotary Action Groups is that they are more hobby focused where a Rotarian can find other members from around the world who share a similar passion or hobby.

While there are a few Rotary Fellowships that are focused on a profession, the majority are hobby based. Imagine if you are an avid skier. There is a Rotary Fellowship for you. How cool would it be to connect to skiers all over the world and join some members for a ski holiday in the Swiss Alps. PP Dave T, there is a Water Polo Fellowship. Captain Kirk, there is an Internet Fellowship. Rose F, there is an Italian Culture Fellowship. Judith P there is a Music Fellowship. Tina B there is a Photography Fellowship. Ted M, Steve L, Greg M, there is a Military Veterans Fellowship. Attorneys, there is one for you, Lawyers. Canoeing, Yoga, Wine, Beer, Doll lovers, Doctors, Recreational Vehicles, Railroads, Chess and the list goes on and on. Want to make Rotarian friends around the world and share your passion? Rotary Fellowships are the way to go. Make lasting friendships outside your club, district and country.

Rotary Fellowships serve to advance Rotary's public image and identity and can serve as an incentive for joining and maintaining active membership.

As an organization, just as Rotary Action Groups, Rotary Fellowships function separately from RI by establishing their own structure, dues requirements and rules. While Rotary Action Groups are open to a wide group of professional people who may be outside of Rotary, Rotary Fellowships are open to Rotarians, their family members, and alumni of Rotary and all Foundation programs.

Go to RI's website for more information and find a very, very long list of established Fellowships and a way to contact them for more information. Each Fellowship has a hot link to their landing page with a description of who, what, where, how and why!

If you can't find a Fellowship in the immense long list of Fellowships, you can start your own. There is a brochure available for download on RI's website that details the steps.

I have a goal of one club member joining a Rotary Action Group and one club member joining Rotary Fellowship. Let our club know how much you are enjoying your Group or Fellowship and help our club be a part of President Maloney's mission of "Rotary Connects the World!"
