**MEMBER HIGHLIGHTS**

Kimberly Brodeur is the Booking Lieutenant on C Platoon at the Clark County Detention Center (CCDC) with the Las Vegas Metropolitan Police Department. 118 law enforcement agencies can book inmates into CCDC, where the majority of the population is male and the average monthly bookings are now over 6,000. Kimberly has been a member of LVMPD for almost 20 years and has held numerous positions, such as Classification Sergeant, Field Services Officer, Control Room Operator, North Tower Bureau officer, South Tower Bureau officer, North Valley Complex Sergeant, Field Training Officer, Honor Guard member, Prisoner Transport for SEAC and SCAC, Terrorist Liaison officer,

and was the Watch Commander at CCDC when Oct. 1, 2017 unfolded. Kimberly also maintains Basic, Intermediate, Advanced, and Supervisory POST certificates. She has been a part of numerous special projects and changes at the facility.

Lt. Brodeur received her Bachelor's Degree from Pacific University in Accounting and Japanese and a certificate from Nagoya Gakuin University for Japanese proficiency after studying abroad. She received her Master of Science Degree at UNLV in Crisis and Emergency Management and also attended Northwestern University's School of Police and Command Staff. Kimberly also spent 11 years in the U.S. Army Reserves where she completed her career as Drill Sergeant. She has also been a successful Realtor for 17 years for Century 21. She has a blended family where they call themselves The Brodeur Bunch due to having six children and often an exchange student in their household.

Kimberly credits Rotary's Youth Exchange Program for being the person she is today. In 1991-92 she was an exchange student from a small, poor town in Idaho to Australia with an amazing Rotary mentor who always pushed and challenged her. She is now the District 5300's Youth Exchange Chair and is active in promoting the youth exchange program in hopes of changing other people's lives. Her own children have studied abroad in Switzerland, Argentina, and Taiwan.

Lt. Brodeur plans to retire from LVMPD in just over a year and wants to educate the community about the Clark County Detention Center and its impact on the community.

# MESSAGE FROM THE PRESIDENT

This week, I want to share with you, the membership, the goals I have set for this year.

First, is the Canned Food Drive. The 25 Club has been working diligently to raise funds to help restock the Salvation Army food bank. Please support their efforts by attending the upcoming fundraisers, the Halloween Party and the Cigar Social. Proceeds from both will benefit the Canned Food Drive. Please sign up in the Green Book to give an additional cash donation. Because, for the 14th straight year, losing to the Kiwanians is not an option!

Santa Clothes, yes, it is right around the corner. Our goal for this 24th year, would be to clothe more kids with a bigger budget. Several grants have already come in and this goal seems to be well on its way!

For the Club, I have two goals. First, to start a Rotaract Club at one of the three colleges, UNLV, CSN or Nevada State. If any of you want to help, if you know anyone to speak with at any of these schools, please contact Bill Houghton or myself. We are currently working on a joint effort with another club.

Second, the new Rotary International project, Together, We Read, is just a natural extension of what are currently doing and helps us realize our Club Mission Statement. We are actively participating in the pilot program and have had several productive meetings with Spread the Word Nevada as one of potential community partners.

The two biggest year end goals are the District Governor's Bell award (3rd year in a row) for large club and the Presidential Citation Platinum distinction.

These last two depend on the goals that I set early in the year. Some things we have already achieved, some will be realized toward the end of the year and still others are ongoing throughout the year.

We just introduced the 140 Project, our 4th quarter membership drive. It has been awhile since we had a membership drive and the Membership Committee wanted to create a clearly defined project. This year our goal is 140 members, which equates to a net +9. We have had some resignations and some leaves of absence, so we wanted to incent the membership to invite some quality prospective members. You heard Rosalee Hedrick present the details of the 140 Project last week. I wanted to add that, even though classification is no longer a specific issue, we would however, love to diversify the occupations of our members. Even though we are not a "Networking Club" as other groups in town, we nevertheless want to do business with people we like and trust. If you know people in the hotel industry, engineering, airport service, radio broadcasting, first responders, newspaper/magazine publishing, pool services, pet care, restaurants, sporting goods, to name just a few, invite them to lunch!

Let us show them what the spirit and heart of Rotary is. Let us show them what a welcoming club we are.

Let them see how Rotary connects the world!
