MESSAGE FROM THE PRESIDENT

Happy Halloween Everyone!

How did Halloween come about?

Halloween is an annual holiday celebrated each year on October 31, and Halloween 2019 occurs on Thursday, October 31. For many people I know, it is their favorite holiday! Its origins began centuries ago with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. In the eighth century, Pope Gregory III designated November 1 as a time to honor all saints. All Saints Day, now a Catholic Holy Day followed by All Souls Day, incorporated some of the traditions of Samhain. The evening before was known as All Hallows Eve, and later Halloween. Over time, Halloween evolved into a day of activities like trick-or-treating, carving jack-o-lanterns, festive gatherings, donning costumes and eating treats, all the fun stuff!

How did the practice of Trick-or-Treating begin?

Borrowing from European traditions, Americans began to dress up in costumes and go house to house asking for food or money, a practice that eventually became today's "trick-or-treat" tradition. I remember as a kid asking for "pennies for UINCEF," a United Nations children's fund still in place today. Trick-or-Treat for money and candy of course!

By the 1920s and 1930s, Halloween had become a secular but community-centered holiday, with parades and town-wide Halloween parties as the featured entertainment. What about the Trick part of Trick-or-Treat? Between 1920 and 1950, the centuries-old practice of trick-or-treating was also revived. Trick-or-treating was a relatively inexpensive way for an entire community to share the Halloween celebration. In theory, families could also prevent tricks being played on them by providing the neighborhood children with small treats. Well?

Did it work?

Thus, a new American tradition was born, and it has continued to grow. Today, Americans spend an estimated \$6 billion annually on Halloween, making it the country's second largest commercial holiday after Christmas.

Scary Halloween movies have a long history of being box office hits. Classic Halloween movies include "Halloween" and slasher films like "Scream," "Nightmare of Elm Street," and "Friday the 13th," parts 1 through 25 it seemed!

Today's Halloween ghosts are often depicted as more fearsome and malevolent, and our customs and superstitions are scarier too. We avoid crossing paths with black cats, afraid that they might bring us bad luck, and walking under ladders, watch out Jerry!

So, everyone please have a safe and fun Halloween filled with lots of scary ghosts, goblins and most of all candy!
