Date Received:

Version:

Rotary Clubs, worldwide, are service organizations of professional businesspeople who strive to make their local and international community a better place. The Rotary "Wheel" can be seen throughout Las Vegas, at parks, schools, on benches, the airport Aviation display, reforestation projects, highway clean ups, libraries, medical and child help facilities and endless other projects performed by Rotarians. The spirit of Rotary can be felt in the hearts and souls of many who have seen the generosity of Rotarians through hands on projects, educational programs, feeding the hungry, caring for the less fortunate, support in programs related to our military, student sports activities, professional exchanges, grants and scholarships. Rotary's motto "Service Above Self" is a way of life for Rotarians in the Las Vegas community.

The Las Vegas Rotary Club is the oldest and largest club in Las Vegas, chartered in 1923, at a time when Las Vegas was a sleepy railroad town. There was no glamour along the streets as you see today. There were no paved roads from here to anywhere. Nothing but dirt roads, rut filled and dusty, moved people out of Las Vegas in two directions, North and South. The history of the Las Vegas Rotary Club is deeply imbedded in the history and growth of the City of Las Vegas and its community. Today, we have nineteen Rotary Clubs in Southern Nevada. We are proud to share the Open World, Educational program with several clubs during the delegates visit.

The "Mission Statement" of the Las Vegas Rotary Club is: "***Teaching Youth to Succeed through Literacy, Education, and Life Skills Development***". As Rotarians, we truly believe we have a lot more similarities than we have differences. We welcome our international guests and look forward to sharing our culture and educational system with them.
