MESSAGE FROM THE PRESIDENT

This week's message is meant to remind us of all of the work that the Las Vegas Rotary Club does to support our military, veterans and first responders. This past Saturday, April 11, the precision Air Force flying team, the Thunderbirds, executed a flyover to show support to our area hospitals and first responders. Our amazing medical, police, fire and rescue men and women have worked tirelessly and not without risk to themselves and their families, during the coronavirus pandemic. The military has not escaped the virus infection. The President has issued orders to reactivate some retired service members as well as guard units to help with the management of the crisis. Hospital ships have arrived in areas hard hit to offer help as well.

Since the spring of 2003, the Las Vegas Rotary Club has been giving the Wetzel awards every quarter to five deserving airmen at Nellis and Creech Air Force Bases. These awards are designed to thank airmen who don't ordinarily receive awards, those airmen who work hard in the trenches, do not seek recognition, and are "unsung heroes." Named for deceased Las Vegas Rotary Club member Colonel Scotty Wetzel, a 30-year Air Force fighter pilot veteran, we have continued the tradition every quarter since.

We are fortunate to have as members, the Director of Operations for the USO West Region, David Thorson and Keri Serrano, USO Nevada Center Director. Our Las Vegas Rotary Foundation has given a grant to the local USO for a project to help children of service members during this coronavirus pandemic have fun and learn called "Nature is Neat."

We have several members of our club who are retired military and it is always a joy when the Veteran's Day meeting and the upcoming Memorial Day meeting take place. Retired Air Force pilot and club member, Ted McAdam always puts together an amazing presentation.

Our District project for First Responders is underway. From my own experience as a former First Responder, I worked with several and I know there are many in our local police, fire and rescue, who are retired military. We will be distributing Personal Protection, health and wellness kits from our Salvation Army distribution point. We are currently in the funding stages of this project and our hope is to be ready within a few weeks.

Our two projects, the USO and First Responders will need "boots on the ground." I am looking forward to doing what we Rotarians do, donating time and treasure to our local communities and around the world.

So, grab your mask today and be ready to give of your time to help our local Las Vegas community!

Joint Statement from Kiwanis International, Lions Clubs International, Optimist International, and Rotary International

Woven through the fabric of virtually every community on earth, service clubs of Kiwanis International, Lions Clubs International, Optimist International, and Rotary International are working safely and diligently to maintain connections with each other and our neighbors so that we can cope with and overcome the effects of COVID-19. We are leveraging the strength of our combined networks of 3.2 million members to provide comfort and hope to those feeling the effects of isolation and fear. And we are focusing our collective skills, resources and ideas to support frontline health workers and first responders as they battle this disease and save lives. In these times of uncertainty, your local service clubs remain committed to meeting the challenge of finding innovative ways to take action together to help communities around the globe heal and thrive – and become more united than ever.

"The global effort against COVID-19 depends on actions taken in every country. As people of action, this is our time to connect with each other to offer immediate help to people in need." – **Mark Daniel Maloney, Rotary International President, 2019-2020.**

"The scale and magnitude of this global pandemic requires our world's citizenry to heed the advice and cautions of the experts. The work and plans of our collective members and volunteers must not cease! Our immediate response after the crisis will be necessary to support local Governments respond to the many social and economic challenges that will ensue in its aftermath." – **Adrian Elcock, Optimist International President, 2019-2020.**

"Great challenges test us, but they also bring us together. Lions are finding new ways to safely serve. Our Lions Clubs International Foundation has granted over one million dollars to help communities facing extreme rates of COVID-19, and additional grant requests are being received daily. Our communities depend on service clubs, and we will be there, supporting and strengthening them just as we always have together." – **Dr. Jung-Yul Choi, Lions Clubs International President, 2019-2020.**

"During these difficult times, we're seeing everyday heroism across the globe. I encourage us all to recognize the health and safety professionals who are putting their own health at risk for the greater good. To the educators, grocery workers, delivery drivers and the countless professionals who can't stay home, the Kiwanis family thanks you. We all play an important role in keeping our friends and neighbors safe. Please follow the advice of the World Health Organization, your local health agencies and the instructions given by your Government. Please, stay safe." – **Daniel Vigneron, Kiwanis International President, 2019-2020.**
