

Diana Bennett

Future of Gaming in NV & The World

A second-generation casino operator, renowned philanthropist, and one of the most effective and respected executives in the gaming industry, Diana Bennett serves as Chairman of the Board and is the co-founder of Paragon Gaming, a developer and operator of gaming-based properties. Under the leadership of Ms. Bennett and co-founder Scott Menke, Paragon has grown its reputation and footprint with the successful management of properties in North America and the development of its premier international destination, Parq Vancouver.

A native of Phoenix, Arizona who grew up in northern and southern Nevada, Ms. Bennett attended college at Arizona State University before beginning her hospitality career in Las Vegas, where she rose quickly from an entry-level to a management position at Flamingo Las Vegas. Ms. Bennett later joined her father, industry icon William Bennett, at Circus Circus Las Vegas, and, as an executive of Circus Circus Enterprises' leadership team, she led the development and operation of several landmark gaming properties, including Luxor Las Vegas and Excalibur Hotel and Casino.

She also led the merger of the executive staffs of the Edgewater Hotel-Casino in Laughlin, Nevada, and the Colorado Belle Hotel-Casino; and directed the purchase, takeover, and integration of new management into one of the timeless icons of the Las Vegas Strip, the Sahara Hotel and Casino, acquired by the Bennett family's Gordon Gaming division in 1995.

Throughout her career Ms. Bennett has been responsible for management of multiple casino operations and has been licensed in multiple jurisdictions. Recognized as an expert in establishing gaming systems, she served as President and Chief Operating Office of Casino Data Systems (CDS), where she planned, grew and managed one of the major gaming manufacturers in North America.

Following the formation of Paragon Gaming in 2000 and the acquisition of multiple properties in the United States and Canada, Ms. Bennett spearheaded development of the River Cree Resort and Casino in Edmonton, Alberta, and led revitalization efforts at Las Vegas' Riviera Hotel. The successful turnaround at the legacy resort can be credited to Ms. Bennett's philosophy of the "circle of service," which empowers employees to address issues of concern without the burden of bureaucracy, forming a personal connection with the customer and ensuring a positive experience at every level of the organization. Under Ms. Bennett's stewardship, Paragon expanded further, assuming operations at Westgate Las Vegas and the Hooters Casino-Hotel, acquiring the Hard Rock Hotel and Casino Lake Tahoe, and developing Parq Vancouver in the heart of that city's thriving entertainment district.

As President of the Bennett Family Foundation, Ms. Bennett has become one of Southern Nevada's most recognized philanthropists, inspiring employees and leading charitable efforts from Paragon's gaming properties and the foundation to support youth and women's organizations, educational and health initiatives, and the arts; including Three Square Food Bank, Noah's Animal House at the Shade Tree Women's Shelter, Communities in Schools of Nevada, Child Focus, and The Children's Heart Foundation. She is the Vice Chair for the UNLV Foundation and has a fellowship in her name at the University, and sits on the board of Noah's Animal House. Ms. Bennett has also served as chair of the National Children's Miracle Network Telethon for the University Medical Center Foundation, has served on the board of the I Have a Dream Foundation, was a founding board member of The Smith Center for the Performing Arts. Ms. Bennett has also been recognized as one of the Outstanding Women of Nevada since 1994, and in 2007 was named as one of the Top Ten Great Women of Gaming in the United States. In 2011, Ms. Bennett received the industry's highest honor with her induction into the American Gaming Association Hall of Fame. In 2018 she was honored by Ellis Island for their medal of honor.

TOGETHER WE READ PILOT PROGRAM, LVRC

At its core, literacy is the goal of the Together We Read program developed by the Las Vegas Rotary Club. However, the scope of this program while promoting daily reading with your child is much broader. It is designed to help the child develop skills in steppingstone order that are necessary to become “Self-Directed” and engaged in learning.

The Family Reading Program upon which we based our program is designed to promote 7 Executive Life Skills (1) Focus and Control; (2) Perspective Taking; (3) Communicating; (4) Making Connections; (5) Critical Thinking; (6) Taking On Challenges; and (7) Self Directed Engaged Learning. Skills that will help them in school, relationships, and career.

LVRC has permission to use the book collections and tip sheets and owns the rights to the videotaped training session. As a result, the LVRC program can be easily replicated by Rotary Clubs across the USA.

The Program

The Program involves reading aloud techniques, guided activities, and providing each participant family with books to take home to keep, building their home library.

Each session involved three components:

- Parent/facilitator overview of the day’s life skill and book, while children, engaged with support staff assistance, participated in a short-related activity.
- Children join parent/facilitator for book reading. Facilitator modeling and cueing parents.
- Post reading family activity to emphasize the skill of the day. Many of the activities were easy to prepare with everyday items from home.

The books used in these sessions were selected from a curated collection with this mission in mind and specifically for our group of 3-5-year old’s. Each book came with a free downloadable tip sheet including related activities to help parents continue these lessons with their children at home. Book selections and tip sheets (some in Spanish) are available for 4 age groups ranging from 0 – 12 years of age so life skill practice can grow with the child.

The Team

Five Club Members participated in a 2-hour virtual training session led by a representative from Nevada Literacy Council. Our 6-session pilot program was rolled out at Stonebridge Learning Academy, owned by Rotarian Krista Nicholas, and was completed September 28, 2020. Each session included a Session leader and at least two other volunteers for support.

The Results

At the end of each session the parents completed a short 4 question survey, evaluating the adult’s knowledge/skills before the session and then after completing the session.

Results showed that 91.7% of the 12 participants reported that they increased their knowledge or skill level because of this program. The measurement of improvement averaged +25.6% with a high of 38.8%.

MESSAGE FROM THE PRESIDENT

I am beyond thrilled to see that we have so many fantastic programs and events going on right now that there is no room left in this week's Wheel for a full page message from the President. We say that we are the greatest Rotary Club in the World, but as this edition of the Wheel demonstrates it is more accurate to say we are the greatest, busiest and most sharply focused on service to others Rotary Club in the world.

Thank you to all of you for all that you are doing!
