MESSAGE FROM THE PRESIDENT

Lost and Found

So much has happened in the past 18 months! Most of us have **lost** people we loved and cared for. Some have **lost** jobs, livelihood, or health. Still others have **lost** a sense of peace or hope for the future. My heart goes out to each one of you who has suffered these or other **losses**.

Amid the **losses** we have experienced, there are also many important things we have **found**.

Some of us have **found** deeper faith. Many have **found** a fresh perspective on life. Many have **found** stronger relationships with people you care about. Rotary, more than ever, has been a constant resource for us to help us find those things that are truly important.

The recent pandemic has been unique in that it has affected everyone in the world at essentially the same time. While some have suffered more than others, we have all been challenged in some way.

Through the adversity of the last 18 months there are so many things I believe we have all found. Here are a few things I hope we have **found** or discovered

- We can't do it all. By acknowledging and embracing those limits on your power or resources, you understand yourself better and your place in the world. I believe one of the greatest lessons we are to learn in life is to work together and the help each other.

- Perspective often comes with hardship. Experiencing adversity can open your eyes to the hardships of others. Receiving support and help from others should motivate you to give support more readily. Your sense of compassion will grow.

- We need each other. I missed the fellowship when we only did Zoom meetings. By not having our weekly meetings in person, we wanted them back more.

- **We have to be flexible.** Flexibility helps us to be resilient and durable as things change. It teaches us to be open to learning and agile as we figure out what to do next.

John Kim LMFT, aka The Angry Therapist wrote, "Life is lived in the mess. The underbelly. The building. The falling. The breaking. The grit. The standing up. The dusting off. The shine is not life. That's the reflection of hard work and determination. Life is the journey there. And it's not a straight line. That is one of the greatest misconceptions about life. It's actually squirrely with many, many loops. And that's what makes life a journey instead of a destination."

We are meant to **lose** ourselves because that's how we **find** out what is really important.

Thanks to 27 great sponsorships, the putting tournament was a huge success. We had 52 participants.

If our calculations are correct, we should clear \$2,600 for the restricted Rotary Youth Exchange fund, the best we've ever done and amazing for a social event. Thanks to **Karen Whisenhunt** for her efforts putting this together.
