MESSAGE FROM THE PRESIDENT

The first Thanksgiving was celebrated 400 years ago in 1621 over a three-day harvest festival, included 50 Pilgrims and 90 Wampanoag Indians.

Well before Thanksgiving was ever a holiday, giving thanks has been essential to the human soul. And that's true not only in times of plenty. On good days and bad, through abundance and scarcity, our lives are sweeter when we count our blessings.

Perhaps that is why Cicero said gratitude is "not only the greatest of all virtues, but the parent of all...virtues."

Over the last few years, we all experienced a number of challenges. We've experienced loss of loved ones, restrictions of many of our normal activities, changes to our businesses and perhaps health issues. Costs of most everything are going up and political uncertainty has become worrisome.

Often life's worries make us deaf to its beauties. All around us are blessings, large and small. Listen, and you will hear the glorious sounds around you. Look, and you will see the beauty around you. Cultivate the habit of finding the good, and give thanks continually.

We would all do well to pause and ponder how blessed we are.

As I've thought about my 26 years in Rotary, I am so grateful for the many wonderful relationships created, for the many programs I've experienced, for how people have helped me and for the service opportunities that have brought me joy.

Henry Ward Beecher wrote, "The unthankful heart... discovers no mercies; but let the thankful heart sweep through the day and...it will find, in every hour, some heavenly blessings!"

The difference is in the outlook of the thankful heart. Blessings can always be found when gratitude lights our way.

We wish all of you a happy and healthy Thanksgiving holiday.

Mike
