

Senator Bryan

Richard H. Bryan was born in Washington, D.C., and graduated from the University of Nevada at Reno in 1959 and the president of ASUN. He earned his law degree from the University of California, Hastings College of Law.

Senator Bryan began his legal career in 1964 as a Deputy District Attorney in Clark County, Nevada. Two years later, he was named Clark County's first Public Defender. In 1968, Senator Bryan was elected to the Nevada State Assembly and re-elected in 1970, he

was elected to the State Senate in 1972 and re-elected in 1976. The former prosecutor won his first statewide election as Nevada's Attorney General where he played a major role in successfully defending Nevada's gaming regulatory structure in the federal courts.

In 1982, Senator Bryan was elected to his first of two terms as the Governor of Nevada. Under his leadership as Governor, economic diversification and the attraction of new businesses to Nevada became a priority. In 1988, he was elected to the first of two terms in the U.S. Senate. Senator Bryan was the only Senate member to simultaneously serve on the following U.S. Senate Committees: Finance; Commerce, Science and Transportation; and Banking, Housing and Urban Affairs. He authored the Southern Nevada Public Land Management Act of 1998.

Former Senator Bryan is a partner in the Las Vegas office of the Fennemore and Craig law firm. He focuses his practice on government relations at the federal, state and local levels, particularly in the area of public land use issues.

MESSAGE FROM THE PRESIDENT

The holiday season is here and decorations for Christmas seem to dominate many cities and towns. Thanksgiving and Hannukah have already passed, Christmas is quickly approaching and Kwanzaa will begin shortly after that. Celebrating holidays is a reflection of a family's or community's cultural and ethnic heritage and diversity. These holidays are rituals to remind us of our past and guides us into our future.

We know that the celebration of holidays can be a meaningful and fun experience for individuals and families. Hanukkah is a Jewish festival commemorating the recovery of Jerusalem and subsequent rededication of the Second Temple. Kwanzaa is a celebration of African family, community and culture. Christmas commemorates the birth, life, teachings and sacrifice of Jesus Christ.

These celebrations remind us of the sacrifices and challenges of those before us and give us opportunities to serve, celebrate and ponder. The rituals we create around the holidays can be very helpful and renewing.

Modern research has shown that family routines and rituals are important to the health and well-being of families. Community and family rituals and gatherings provides a sense of security, identity and belonging among members of the family or community.

As members of the Las Vegas Rotary, events including the Thanksgiving canned food drive, Santa Clothes and the Holiday Party have become important to our Rotary community. In so many ways we've become a large family serving an extended family of the entire community.

We wish all of you the happiest of holidays and look forward to seeing you in January!

ARE WE RELATED?

Have you ever sat in a room full of people and wondered if or how you might be related to those around you?

Relatives around Me, a fun feature in the FamilySearch FamilyTree app, can tell you how you are related to friends, neighbors, or anyone sitting near you.

Do you know there's a good chance you are related to another member of the Las Vegas Rotary Club? Some of our board members have tried the app only to find they are fifth, sixth or eleventh cousins with others board members.

In January, we will be doing a program on Genealogy and Family History. To make it most effective, we need our members to do two things.

First, download the free app at the Google store or the Apple app store.

Second, look for your parents or grandparents using the app. You probably need to know their birth date and birth place. Once a few of your grandparents are in the app then you'll start getting hints. Build your tree as far as it is convenient. While you are visiting family during the holidays,

Once you go back to the 1940s or earlier, a lot of the research is easier since older data is regularly published by the government. For example, all of the census data from 1940 or earlier is available to the public and is in the FamilySearch app.

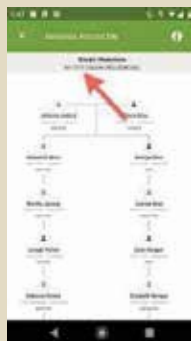

When you have that information in the app, it has a feature called "Relatives around Me." This fun feature in the FamilySearch Family Tree app, can tell you how you are related to friends, neighbors, or anyone sitting near you.

To try **Relatives around Me**, you and your potential cousin both need to be signed in to the Family Tree app and within approximately 100 feet of each other.

When you are in a room with others that have their Family Tree App open, you "**Scan for Friends.**" Within seconds it will show you all the cousins you have in the room. Selecting the person's name will bring up a pedigree graphic showing your common ancestor and the lines through which you both descend. Pretty cool, right?

In addition, you can also find how you are related to famous people, like presidents, actors, athletes, historic figures, European royalty and more.

So download the app and search for your grandparents. We will give a brief demonstration in the meeting today.

LEAVE NO GIRL BEHIND!

Excerpts from the December 2021 Issue of Rotary International Magazine

In his address to the Rotary International Convention in June 2021, Shekhar Mehta urged Rotary members to put improving girls' futures at the forefront of their work. "It is important that we empower girls," said Mehta, who was shortly to take office as the 2021-22 Rotary president, "as we all find that more often than not, the girl is disadvantaged. We will serve all children, but our laser focus will be specially on the girl."

Mehta made empowering girls one of his presidential initiatives, and his focus is particularly timely. Women continue to face economic hurdles, declining levels of political participation, and challenges in the workplace, according to the World Economic Forum's Global Gender Gap Report 2021.

"The Empowering Girls initiative is a club- and district-level service opportunity," says Elizabeth Usovicz, a member of the RI Board of Directors. "The primary role of the task force is to develop a framework and resources that enhance the ability of Rotary and Rotaract club members and leaders, as well as district leaders, to participate in and promote service projects that focus on the health, education, safety, well-being, and economic development of the girls of our world."

Let's look for opportunities to help Rotary International with this important initiative! Contact President Mike and President Elect Caty Crockett if you would like to help.
