

Bob Schulman

Real Estate Developer

Bob Schulman is a seasoned real estate developer with over five decades of experience primarily in the Southwestern United States. Known for his visionary approach, Mr. Schulman has successfully developed a diverse range of projects, including multifamily residential, mixed-use, office, and retail spaces. His commitment to creating real estate that offers a unique and memorable experience has set him apart as a pioneer in the industry.

Throughout his career, Mr. Schulman has developed over \$2 billion in real estate assets, leaving a lasting impact on the region's landscape. His achievements have earned him recognition as one of the top 100 Most Influential People in Las Vegas. Bob Schulman's legacy continues to inspire the next generation of developers as he remains at the forefront of innovation in real estate.

Last year when I was so graciously sponsored by the Las Vegas Rotary Club to attend the Rotary Int'l convention. I attended a presentation given by the then RI President, Gordon McNally. He explained how his family struggled with a severe case of mental health. His brother committed suicide after dealing with the silence of depression, while going unrecognized for many years. His mission is to build a requiem for his brother. Ellen Burstyn is a renowned American actress whose career spans decades and has earned her numerous accolades, including an Academy Award.

Her iconic performances in films like *The Exorcist*, *Alice Doesn't Live Here Anymore* and *Requiem for a Dream* have cemented her status as one of the greatest actresses of her generation, known as the New Hollywood.

Burstyn is also a dedicated philanthropist. She has used her platform to advocate for various causes, including mental health awareness. Burstyn has been vocal about her own struggles with mental health and has used her experiences to raise awareness and reduce stigma.

In more than 46,000 Rotary clubs around the world, mental health is a leading issue we will continue to address and to realize the gravity of its impact on our lives in the global community of Rotary Int'l.
