

Heather Harmon

Executive Director of the Future Las Vegas Museum of Art

Heather Harmon is the Executive Director of the future Las Vegas Museum of Art and Co-Executive Director of the Triple Aught Foundation, the Nevada-based non-profit organization that governs and manages Michael Heizer's City. Her deep expertise in fundraising and development stems from her former experiences as the Director of the Nevada Museum of Art and the Director of Development for Artists Space in New York.

Previously, she was Director at Regen Projects in Los Angeles before joining TBA 21 to advise on institutional strategy. She also held positions with the firm KCM Fine Arts to build and manage the Lune Rouge Foundation and Art Projects Ibiza. Born in Las Vegas, she attended the University of Nevada in Las Vegas and currently sits on the Boards of The Mayor's Fund and Nevada Women's Philanthropy.

This week we align achievement with fairness. Shirley MacLaine is a renowned American actress and author, known for her illustrious career spanning over seven decades. She has received numerous accolades, including an Academy Award and many other honors.

MacLaine's career began during the final years of the Golden Age of Hollywood where she made her film debut with Alfred Hitchcock's black comedy *The Trouble with Harry* in 1955. MacLaine won the Academy Award for Best Actress for the comedy-drama, *Terms of Endearment* in 1983. In addition to her acting career, MacLaine is a prolific author, having written numerous best-selling memoirs exploring spirituality, personal growth, and reincarnation. Her charitable life was all about being fair.

She has been involved in social justice issues and has used her platform to raise awareness about important causes. In the Rotarian lifestyle we live with the 4 way test, Is it fair to all concerned? Sometimes we need to take a pause, step back and get a bigger picture of one's reality. I've preached this to my kids for their entire lives. I've also taught them to take calculated risks; Is the juice worth the "squeeze?". For one time in my life I found it necessary to skip the pause, it was very revealing.

Let's Build Something Together! *Kih*
